“ Don't you wish that you could be closer to nature during your workday? ”

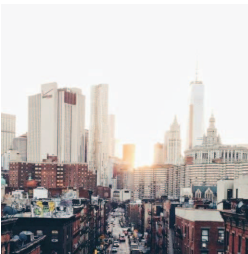

GETTING IN TOUCH
WITH YOUR HAPPINESS

We all live a city life. Always in a rush for something or meet someone. Busy working all day long on computer or multi-screening and multi-tasking on mobile phone and tablet, and inevitably being apart from the nature we love.

The new 2016 Ocean glassware 'A Touch of Nature' collections, with nature-inspired designs, bring us closer to the nature within our reach. They allow us to appreciate a glimpse of beautiful nature any time of the day, along with our favorite drinks.

'A Touch of Nature' collections have been created in modern art design with stylish handcraft look and elements of nature. They come in 3 distinctive design glassware collections that would surely brighten up our days.
